

# Get social during National Donate Life Month!

Join the campaign to inspire as many people as possible to register their decision as life-giving organ, eye and tissue donors.

Use the provided social media graphics along with the below copy to amplify your support for donation and encourage registration among your family, friends and colleagues throughout the month.

Use the **#SayYestoDonation** hashtag and tag Gift of Hope when sharing your stories, photos and NDLM toolkit graphics.

## Social Copy 1: Save Lives. Say Yes!

April is National Donate Life Month! Gift of Hope joins advocates across America to honor organ and tissue donors and their families and call attention to the critical need for people to join the donor registry. More than 104,000 adults and children are waiting for a second chance at life in the U.S with a new person added to the national transplant waiting list every 7.5 minutes. Re-share this message and encourage others to learn the facts and #SayYestoDonation.

Learn more and register your decision to be an organ, eye and tissue donor at [giftofhope.org](http://giftofhope.org)

## Social Copy 2: Donation Impact

Did you know? A single person can save 8 lives as an organ donor, heal more than 75 others as a tissue donor and restore sight for 2 people. The need for donation is critical. More than 5,000 adults and children in Illinois and Indiana are waiting for a life-saving organ transplant.

You can help! Learn the facts about donation and register your decision to be a life-giving organ, eye and tissue donor. Visit [giftofhope.org](http://giftofhope.org) and #SayYestoDonation

## Social Copy 3: Donation need

Did you know? 95% of people support organ, eye and tissue donation, but fewer than 60% are registered donors. Currently, more than 104,000 adults and children in the U.S.—including more than 5,000 in Illinois and Indiana—are waiting for a life-saving organ transplant. Every donor registration makes a difference. Learn the facts about donation, register your decision as a life-giving donor and talk to your family about your decision.
