My daughter is Charlotte "Charley" and she is 15 years old. She recently received a donation from your loved one during her knee surgery. We are incredibly grateful to your family!

Greater love has no one than this: to lay down one's life for one's friends." - John 15:13

Dear Donor Family,

You're an amazing, caring, and loving family. Your donation means so much and means more than you know. The selflessness you must obtain is incredible. You are such a blessing in more ways than one. Charley has been in my life since pre-k and you have truly blessed us. 1 John 4:8 says anyone who does not know love does not know God because God is love. You occupy so much kindness and love and I'm so grateful. God bless you. ♥

Dear donor family,

Thank you so much for donating the tissue ~~from~~ that was your loved ones. I have known my friend Charley, the receiver of the tissue, since pre-K and she is one of my best friends. I pray that you will receive peace from this hard loss and that you know that your family member is always with you. And God is always with you. Again, thank you for everything.

2 Timothy 1:7 - "For God has not given us the spirit of fear, but of power love and a sound mind."

Dear donor family,

I am very sorry for your loss. Losing someone is very hard and I am so grateful for your decision to donate tissue. It is so helpful

to people in need like my friend. It is a big decision to

donate and I will never forget your great act of kindness.

I may not know you or the person you lost but your act

of kindness speaks a lot about the great people your family

are. Thank you so much!

help in trouble

Dear Donor family,

First and foremost Thank you for donating tissue to one of my beloved friends. The common definition of a hero is someone that helps the world with superpowers but in my eyes a hero is someone who goes out of there way to help others not knowing if it will hurt them and that what ur caring family member did for my friend. Once again thank you so much for allowing my friend to relive her life again with ur donation.

Pear Donor Family,

Thank you so much for your donation to one of my friends. I am so grateful for your generosity because without you it would've made her life harder. I am so sorry for your loss but just know it was put to good use. If you go through any hardships remember Phillipians 4:13 which says, "I can do all things through him who strengthens me."
