

Our Hospital Development staff are your go-to resources for everything you need to know about organ and tissue donation.

Working with your administrative staff, medical staff, clinical staff and hospital committees, our staff are on site regularly at your hospital to help you:

1. Comply with requirements to identify and refer potential donors
2. Coordinate and conduct professional education programs
3. Follow up on donation cases
4. Develop and continuously improve donation protocols

Referral Hotline: (888) 545-GIFT
