

Get social during National Donate Life Month!

Join the campaign to encourage as many people as possible to register their decision as life-giving donors.

Use the copy below to amplify your support for organ, eye and tissue donation and inspire registrations throughout the month.

Use the **#GiftofHope** hashtag and tag **@GiftofHope** when sharing your stories, photos, and NDLM Toolkit materials

Social Copy 1: If You Could Save 8 Lives...

April is National Donate Life Month! It's a time when communities across America come together to bring attention to the critical need for organ donation, honor donors and donor families and highlight the power of a single decision that can transform and save lives.

Currently more than 108,000 adults and children in the U.S. are waiting for a life-saving organ transplant. You can help.

Learn the facts about organ, eye and tissue donation, register as a donor and inspire your friends, families and colleagues to join you in saving lives! Visit giftofhope.org

Social Copy 2: Donation Impact

Did you know? A single person can save 8 lives as an organ donor, heal more than 75 others as a tissue donor and restore sight for 2 people.

The need for donation is critical. More than 5,500 adults and children in Illinois and Indiana are waiting for a life-saving organ transplant. You can help!

Throughout National Donate Life Month, learn the facts about donation and register your decision to be a life-giving organ, eye and tissue donor. Visit giftofhope.org

Social Copy 3: Donation need

Did you know? More than 90% of people support organ, eye and tissue donation, but fewer than 55% are registered donors. Currently, more than 108,000 adults and children in the U.S.—including more than 5,500 in Illinois and Indiana—are waiting for a life-saving organ transplant.

Every donor registration makes a difference! Learn the facts about donation, register your decision as a life-giving donor and talk to your family about your decision. Visit giftofhope.org
